CONTINUING EDUCATION

**COURSE SYLLABUS/OUTLINE DEVELOPMENT FORM**

1. **Name of Course:** Private Coaching for Singers

2. **Number of Clock Hours:** 4

**Course Description:** Private coaching sessions are offered in musical theatre and contemporary vocal styles such as pop, folk, rock, etc. Coaching packages are tailored to each student's unique goals and may include work toward preparing upcoming auditions, building a rep book, bolstering technique, expanding range, and strengthening a variety of performance skills. Coachings are available for adults from beginning through professional levels, and to advanced high school students.

3. **Course Objectives:** Increased confidence in the use of the singing voice; increased vocal power and impact; increased knowledge of vocal health; knowledge and application of vocal warm-ups and warm-downs; identification of repertoire; audition and performance preparation.

4. **Rationale: State the reason for offering the course:** The Austin area is home to vocalists from the musical theatre stage to live music venues. Private coaching makes one-on-one instruction and performance preparation available to those who desire to improve upon their craft and industry readiness.

5. **Required Materials:** A water bottle, notebook, writing implement, and electronic device with the capability to ZOOM.

6. **Course Outline:** What topics and sub-topics will be covered in this course?

See "Course Objectives" above.
